Members also have access to the Healthcare Bluebook mobile app, available through both the Apple App Store and Google Play.

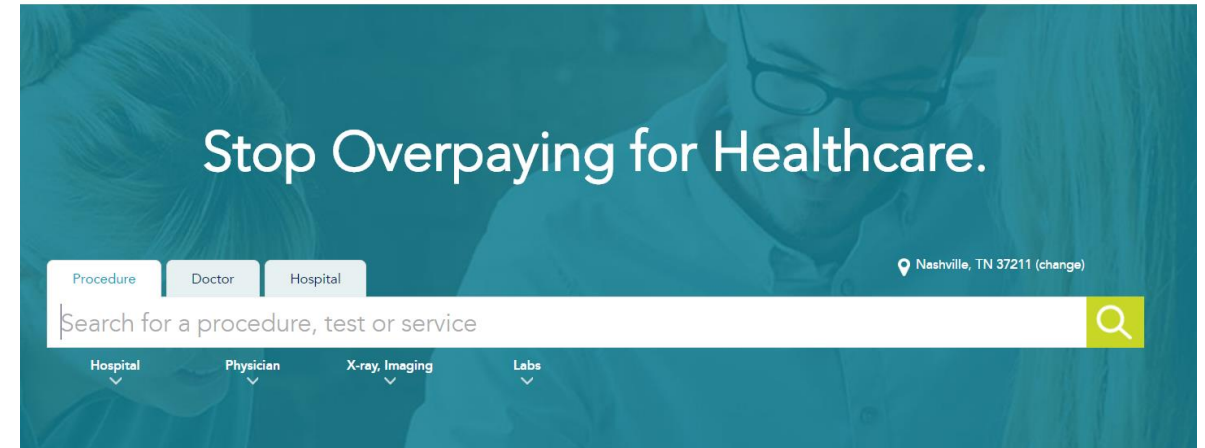

# Let's get started!

Member search results will provide the following information:

- **Fair Price** – The price a member should reasonably expect the procedure to cost. Some procedures don't have high variability in pricing, so a single Fair Price is presented.
- **Cost Ratings** – These are the procedures that have significant price differences depending on the facility. A member will see the Fair Price and Cost Ratings shown as green-yellow-red.
- **Quality Ratings** – Inpatient procedures are assigned quality ratings shown as green-yellow-red. These are accompanied by a Fair Price, and include Cost Ratings as appropriate.
